From (Name) F. Ware Esq., F.R.C.V.S., I.V.S.,

(Designation) Director of Veterinary Services, Madras

To The Secretary to the Government of Madras,

Through The Accountant-General, Development Department. Madras.

Sir,

I have the honour to forward herewith for favour of approval a revised data statement for the standard rent of the Veterinary Assistant Surgeon's residential quarters attached to the Veterinary Dispensary at Hospet with a copy of letter No.1077- dated 13th February 1929 of the Executive Engineer, Bellary referred to therein. A rent of Rs.9/- per mensem was originally approved by Government in their Order No.69 Mis. Dev. dated 9th January 1929 but in the present revised statement the area of the verandah in front of the dispensary, which was roofed by the owner only on 1st March 1929, is also taken into account. I request Government be pleased to sanction a

revised

revised rent of Rs.11/- per mensem, rounded to the nearest rupee under subsidiary rule to Fundamental Rule 45-A.III(c), with effect from 1st March 1929.

Copy of letter No.1077 dated 13th February 1929 from the Executive Engineer, Bellary to the Officer in charge, III Circle, Civil Veterinary Department, Bellary.

Copy of letter No.120-E dated 5.2.29 from the Sub Divisional Officer, Hospet to the Executive Engineer, Bellary:-

Ref:- Dl.No.8374 dated 3.11.28 re: Veterinary Dispensary, Hospet - Veterinary Assistant Surgeon's Quarters - Rent data statement.

As per line diagram below the plinth area of the Veterinary buildings at Hospet used as quarters and office is 1711 sq.ft. according to the details below:-

(a) Portion occupied by the Veterinary Assistant Surgeon

kitchen 15'-3" X 17' -9"	...	270.69
Mainbuilding 31'-6" X 10' -6"	...	330.75
		601.44 or say 601 sq.ft.

(b)Dispensary portion.

31'-6" X 35' -3"	...	1110 sq.ft.
Total plinth area	...	.....1711 sq.ft.

As the monthly rent for the whole building is Rs.30/- the proportionate rent payable by the Assistant Surgeon is (601/1711 X Rs.30) Rs.10. 8

Considering the locality and the scarcity of decent buildings in the

4.

the place I consider the rent is reasonable.

It will be seen that the Veterinary Department has taken the area of the building to be 1202 sq.ft. and that of the quarters portion as 345 sq.ft. It is not seen how they arrived at these figures. The verandah portion 8'-9" wide in front of the dispensary was not roofed before; I find that the owner is now arranging to get it roofed and hence the area of the verandah is now taken into account.

Sir,

Reference: Government Order No. Mis. 1031 Dev. dated 19th June 1929.

I have the honour to state that according to the data statement fixing the standard rent for the quarters attached to the Veterinary Dispensary, Hospet approved in the Government order quoted above, the rate of rent as arrived at in the data statement and approved by the Executive Engineer is Rs 10-8-0 per mensem. This rate will therefore have to be recovered from the 19th June 1929, the date of Government orders in question. But in my letter R.O.C.No. 171-B/29 dated 3rd May 1929 I had requested Government to sanction the revised rent of Rs 11/- per mensem rounded to the nearest rupee under sub.rule to Fundamental Rule 45-A.III (c) with

effect

effect from 1st March 1929, the date from which the veranda in front of the dispensary was roofed by the owner. I therefore request Government to accord their approval to my original proposals referred to above.
